This is an Unconditional, Iron-clad, Money Back Guarantee. We have absolute confidence in the effectiveness of our fibromyalgia supplements, and we want YOU to have the same level of security in your decision to use our Online Fibromyalgia Supplements.

If you are not completely satisfied with your purchase of the fibromyalgia supplements, simply return the bottle for a full product refund, less any shipping fees incurred. There is plenty of time on our guarantee so you can take your time, relax and enjoy the benefits of these medicines for fibromyalgia symptoms.

Since 1987, the strictest fibromyalgia standards for product testing procedures and quality control measures have been insisted upon and instituted regarding the manufacturing of all our products. We believe that good formulas can only lead to great health by starting with quality and efficacious product ingredients. Thus, we offer assurance that all of the ingredients used in our effective product formulations are simply the best available in the world.

All fibromyalgia supplements, once manufactured and packaged, are then tested by lot to ensure quality control, stability, consistency, weight and content. Time series and dating analysis are performed twice on all lots, first where the materials were produced and later when received as a finished product. In the unlikely event that you are not completely satisfied with your purchase, simply return the unused portion to the listed address from our warehouse. Remember all Fibromyalgia supplements delivered to your home by the Fibromyalgia Treatment Center carry an Unconditional, Iron-clad 30-day, Money Back Guarantee.
